

Razorback Aquatic Club

Learn – To – Swim Program

The Razorback Aquatic Club offers swim lessons for all levels of swimmers at the Jones Center for Families in Springdale. For more information about the Razorback Aquatic Club, please visit our website at www.rac-ar.org.

The Parent/tot class is designed for your child’s acclimation to the water with the security of having the parent in the water with them (one adult per child is required to be in the water with the child.) This class will have the flexibility of working with children of all ages in that the instructor gives the parents skills to work on with their child while the instructor moves about the group assisting.

The swimming lessons are designed for older children who are ready to be in a learning setting on their own. Class size will be up to a 5 to 1 ratio. Children will be grouped by ability so that they can progress in their own time. Lessons are geared toward learning how to swim with proper technique. All skills learned will not only teach autonomy and safety in the water, but will also prepare a child to be on a competitive swim team.
